

## National Certificate in Caving (SRT Cave Guiding Instruction) (Level 4)

This qualification recognises the skills required to guide clients in the caving environment with particular emphasis on single rope technique (SRT) cave guiding instruction. Holders of this qualifications are senior cave guides who can instruct and assess others undertaking cave guiding at a level where SRT skills are required. This qualification also recognises complementary knowledge and skills that support SRT cave guiding instruction. These skills include group management, first aid, river crossing, communication skills, assessment of learning and risk management training.
