

Skills Active^{ITO} will be the best ITO in Aotearoa

We will be the accepted leaders in and role models of:

Biculturalism
Work skills development
Service excellence

Guided by the key principles of relevance and partnership

Tikanga Maori

Skills Active^{ITO} will demonstrate the practice of biculturalism by embedding Tikanga Maori across the organisation and our goals.

Service Excellence

Skills Active^{ITO} will provide the highest standard of service excellence across the organisation and all our services.

Whakamana te Tangata

Skills Active^{ITO} will develop the organisation and its people by being an employer of choice and supporting our people to demonstrate leadership of the organisation vision and values.

Work Skills Development

Skills Active^{ITO} will arrange for delivery of industry training by delivering relevant products and services in the most effective way to increase the capability of our industries.

Partnerships

Skills Active^{ITO} will engage with industry and offer leadership on matters relating to skill and training needs by developing partnerships founded on joint purpose and shared outcomes and building the respect of the sectors in which we engage.

Qualifications & Quality Systems

Skills Active^{ITO} will design national qualifications and set and quality assure national standards that will be recognised as relevant to the needs of our industries and will reflect industry standards.

Values

Tika – We do what is right

Aroha – We demonstrate respect and care

Pono – We are true to ourselves and others
