### Benchmarked Programmes

Moderation for Benchmarked programmes will be done as part of a Benchmark Review. Benchmark Reviews will take place annually on the anniversary date of the Benchmark approval. Those assessors involved in assessing benchmarking programmes will be advised individually of the review arrangements.

### Additional Material

Assessors please note: Occasionally Skills Active needs to ask assessors for additional moderation samples where credits have been reported for unit standards we offer that have either NZQA or another organisation other than Skills Active as the Standard Setting Body. That body instigates their moderation plan and requests samples from Skills Active. Such requests are part of our obligations to the standard setting body concerned and must be met.

Any queries can be directed to: [assesors@skillsactive.org.nz](mailto:assesors@skillsactive.org.nz)

### \*Pool Forum Dates

- Tuesday 4 May – Wellington
- Wednesday 5 May – Palmerston North
- Tuesday 11 May – Queenstown
